Remarks

Welcome home to this charming 3-bedroom colonial tucked into Canton's established Forest Brook community! Offering over 1,500 sq. ft. plus a finished basement, this home provides plenty of space to spread out and make your own. Inside, you'll find a comfortable and functional layout featuring a spacious family room with fireplace, while the finished lower level adds valuable bonus space for entertaining, a home office, playroom or workout area. Outside, enjoy a private backyard with patio and shed, plus the convenience of an attached 2-car garage. But what truly makes this home special is the neighborhood! Forest Brook is a well-established Canton community bordered to the south by the Lower Rouge Recreation Trails, offering easy access to outdoor recreation while still being conveniently located near Canton's shopping, dining and everyday amenities. Add in Plymouth-Canton Schools and you have a wonderful opportunity to call one of Canton's established neighborhoods home. Come see what makes 2118 S Cavalier so easy to love!
